Aims and objectives

What are your aims and objectives in providing the regulated activities and locations shown in part 3 of this statement of purpose

1. Treatment of diseases, disorder or injury

- To provide a high quality and range of dental services to the whole community, including, consultations, x-rays, routine restorative work, endodontics, treatment of periodontal disease, prostheses, cosmetic work.
- To offer a patient a friendly and professional service.
- To explain the diagnosis to patients in detail, where particular attention should be given and necessary action taken – treatment options, cost, risks, advice, etc.
- To refer to appropriately qualified specialist dental practitioners where necessary. – Temporary treatment provided if needed.
- To keep patients well-informed of costs and discuss treatment progress at each stage, obtaining relevant consent.
- To offer a preventative service.
- To establish an individually – developed personal dental health regime for each patient to meet their dental care needs and aim for a high level of oral health.

2. Surgical procedure

- To provide detailed information and explanation to patients where a surgical procedure is necessary including risks, procedure, etc.
- To obtain valid consent for all surgical procedures carried out at the practice.
- To monitor patient progress, post procedure, following clinical protocol to ensure full recovery and minimise risks.

3. Diagnostic and Screening procedures

- To arrange, agree and review appointments within appropriate timeframe with patients.
- To undergo a complete and detailed examination of the patient's oral health with help from relevant diagnostic equipment, taking into account relevant medical history.
- To inform patients of the results of such diagnostic and screening procedures with a view to discussing possible treatment options.

Description of the location

(The premises and the area around them, access, adaptations, equipment, facilities, suitability for relevant special needs, staffing & qualifications etc)

Dunstable Dental Practice is situated on 85 High Street North which is a high street in North Dunstable with a side entrance. The practice has 5 treatment rooms and is based on 2 levels: 3 surgeries downstairs and 2 surgeries upstairs. Disabled access is reasonable, taken into account the specification and location of the building, but the lack of disabled toilet facilities means that there is not 'full' disabled access.

Dunstable Dental Practice is a mixed NHS and Private practice.

The practice is fully computerized and equipped with digital X-rays for quick and safe processing.
